Safety Data Sheet according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| ccording to Federal Register / Vol. 77, No. 58 / Monda   | ay, March 26, 2012 / Rules and Regulations  |
|--|---|
| Symptoms/injuries after inhalation   | : May cause irritation or asthma-like symptoms.   |
| Symptoms/injuries after skin contact   | : May cause slight irritation . Red skin. Itching. Skin rash/inflammation.  |
| Symptoms/injuries after eye contact  | : May cause slight eye irritation . Irritation of the eye tissue. Inflammation/damage of the eye tissue. Redness of the eye tissue.   |
| Symptoms/injuries after ingestion  | : May be harmful if swallowed and enters airways.   |
| 4.3. Indication of any immediate medic<br>No additional information available  | cal attention and special treatment needed  |
| SECTION 5: Firefighting measures   |   |
| 5.1. Extinguishing media   |   |
| Suitable extinguishing media   | : Foam. Dry powder. Carbon dioxide. Water spray. Sand.  |
| Unsuitable extinguishing media   | : Do not use a heavy water stream.  |
| 5.2. Special hazards arising from the s  | substance or mixture  |
| No additional information available  |   |
| 5.3. Advice for firefighters   |   |
| Firefighting instructions  | : Use water spray or fog for cooling exposed containers. Exercise caution when fighting any   |
|  | chemical fire. Prevent fire-fighting water from entering environment.   |
| Protection during firefighting   | : Do not enter fire area without proper protective equipment, including respiratory protection.   |
| SECTION 6: Accidental release me   | asures  |
| 6.1. Personal precautions, protective e  | equipment and emergency procedures  |
| General measures   | : Remove ignition sources.  |
| 6.1.1. For non-emergency personnel   |   |
| Protective equipment   | : Gloves. Safety glasses.   |
| Emergency procedures   | : Evacuate unnecessary personnel.   |
| 6.1.2 For omorgonov reconcidere  |   |
| 6.1.2. For emergency responders Protective equipment   | : Equip cleanup crew with proper protection.  |
| Emergency procedures   | : Ventilate area.   |
|  |   |
| 6.2. Environmental precautions Prevent entry to sewers and public waters. Nor  | tify authorities if liquid enters sewers or public waters.  |
| 6.3. Methods and material for containr   | ment and cleaning up  |
| For containment  | : Dam up the liquid spill. Contain released substance, pump into suitable containers. Plug the leak, cut off the supply.  |
| Methods for cleaning up  | : Soak up spills with inert solids, such as clay or diatomaceous earth as soon as possible. Collec spillage. Store away from other materials.   |
| 6.4. Reference to other sections   |   |
| See Heading 8. Exposure controls and person  | al protection.  |
| SECTION 7: Handling and storage  |   |
| 7.1. Precautions for safe handling   |   |
| Precautions for safe handling  | : Obtain special instructions . Do not handle until all safety precautions have been read and understood. Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Provide good ventilation in process area to preven formation of vapor.  |
| Hygiene measures   | : Wash hands and other exposed areas with mild soap and water before eating, drinking or  |
|  | smoking and when leaving work. Do not eat, drink or smoke when using this product. Wash affected areas thoroughly after handling. Wash contaminated clothing before reuse. Always wash hands after handling the product. Remove contaminated clothes. Separate working clothes from town clothes. Launder separately. Take off immediately all contaminated clothing and wash it before reuse.  |
| 7.2. Conditions for safe storage, inclu  | affected areas thoroughly after handling. Wash contaminated clothing before reuse. Always wash hands after handling the product. Remove contaminated clothes. Separate working clothes from town clothes. Launder separately. Take off immediately all contaminated clothing and wash it before reuse.  |
|  | affected areas thoroughly after handling. Wash contaminated clothing before reuse. Always wash hands after handling the product. Remove contaminated clothes. Separate working clothes from town clothes. Launder separately. Take off immediately all contaminated clothing and wash it before reuse.  |
| Technical measures   | affected areas thoroughly after handling. Wash contaminated clothing before reuse. Always wash hands after handling the product. Remove contaminated clothes. Separate working clothes from town clothes. Launder separately. Take off immediately all contaminated clothing and wash it before reuse.  ding any incompatibilities  Proper grounding procedures to avoid static electricity should be followed. Comply with   |

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

#### **SECTION 8: Exposure controls/personal protection**

| 8.1. | Control parameters |  |
|------|--------------------|--|
|      |                    |  |

- 8.2. Exposure controls
- Appropriate engineering controls
- Personal protective equipment
- : Local exhaust venilation, vent hoods . Ensure good ventilation of the work station.
  - : Gloves. Safety glasses. Avoid all unnecessary exposure.

- Materials for protective clothing Hand protection Eye protection Skin and body protection Respiratory protection Environmental exposure controls Consumer exposure controls Other information
- : GIVE EXCELLENT RESISTANCE:
- : Wear protective gloves.
- : Chemical goggles or safety glasses.
- : Wear suitable protective clothing.
- : Wear appropriate mask.
- : Avoid release to the environment.
- : Avoid contact during pregnancy/while nursing.
- : Do not eat, drink or smoke during use.

### **SECTION 9: Physical and chemical properties**

| 9.1. Information on basic physical and      | I chemical properties      |
|---|----------------------------|
| Physical state                              | : Liquid                   |
| Appearance                                  | : Liquid.                  |
| Color                                       | : Red.                     |
| Odor  | : Hydrocarbon. Mild.       |
| Odor threshold                              | : No data available        |
| рН  | : No data available        |
| Relative evaporation rate (butyl acetate=1) | : No data available        |
| Melting point                               | : No data available        |
| Freezing point                              | : No data available        |
| Boiling point                               | : No data available        |
| Flash point                                 | : 176 °C                   |
| Auto-ignition temperature                   | : > 320 °C                 |
| Decomposition temperature                   | : No data available        |
| Flammability (solid, gas)                   | : No data available        |
| Vapor pressure                              | : < 0.3 kPa                |
| Relative vapor density at 20 °C             | : >0.9                     |
| Relative density                            | : 0.9                      |
| Solubility                                  | : Poorly soluble in water. |
| Log Pow                                     | : No data available        |
| Log Kow                                     | : No data available        |
| Viscosity, kinematic                        | : 34 cSt @ 40 deg C        |
| Viscosity, dynamic                          | : No data available        |
| Pour Point                                  | : -50 °C                   |
| Explosive properties                        | : No data available        |
| Oxidizing properties                        | : No data available        |
| Explosion limits                            | : No data available        |
| 9.2. Other information                      |                            |

### Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| 10.4.    | Conditions to avoid                          |
|----------|--|
| Direct s | unlight. Extremely high or low temperatures. |
| 10.5.    | Incompatible materials                       |
| Strong   | acids. Strong bases.                         |
| 10.6.    | Hazardous decomposition products             |
| Toxic fu | me Carbon monoxide. Carbon dioxide.          |
| SECT     | ION 11: Toxicological information            |
| 11.1.    | Information on toxicological effects         |
|          |  |

| Acute toxicity                                      | : Not classified  |
|---|---|
| JOHNSEN'S AUTOMATIC TRANSMISSION F                  | LUID DRUM 55 GALLON   |
| LD50 oral rat                                       | > 5 g/kg  |
| LD50 dermal rabbit                                  | > 5 g/kg  |
| Skin corrosion/irritation                           | : Not classified  |
| Serious eye damage/irritation                       | : Not classified  |
| Respiratory or skin sensitization                   | : Not classified  |
| Germ cell mutagenicity                              | : Not classified Based on available data, the classification criteria are not met   |
| Carcinogenicity                                     | : Not classified  |
| Reproductive toxicity                               | : Not classified  |
| Specific target organ toxicity - single exposure    | : Not classified  |
| Specific target organ toxicity – repeated exposure  | : Not classified  |
| Aspiration hazard                                   | : Not classified  |
| Potential Adverse human health effects and symptoms | : Based on available data, the classification criteria are not met.   |
| Symptoms/injuries after inhalation                  | : May cause irritation or asthma-like symptoms.   |
| Symptoms/injuries after skin contact                | : May cause slight irritation . Red skin. Itching. Skin rash/inflammation.  |
| Symptoms/injuries after eye contact                 | : May cause slight eye irritation . Irritation of the eye tissue. Inflammation/damage of the eye tissue. Redness of the eye tissue. |
| Symptoms/injuries after ingestion                   | : May be harmful if swallowed and enters airways.   |
