

FREEZE 12[®]

FOURTH IN A SERIES

What to look for in choosing an alternative refrigerant to R-12:

- 1) Is the refrigerant EPA SNAP acceptable with use conditions for mobile A/C applications ?
- 2) Is the refrigerant compatible with the existing oil and all A/C components including hoses ?
- 3) Is the refrigerant sold nationwide so the consumer can rest assured of service regardless of where they're located ?
- 4) Is the refrigerant sold by a reputable well known company who's been in the business for many years ?
- 5) Does the company selling the alternative refrigerant provide you with everything you need to comply with the EPA SNAP regulations (unique fittings, labels, equipment, etc.)?
- 6) Does the company selling the alternative refrigerant provide you with performance data and independent test results to prove it ?
- 7) Is the refrigerant offered to you at a competitive price along with everything you need to use it legally ?
- 8) Does the company selling you the alternative refrigerant offer you a guaranteed sale of their product ?
- 9) Is the refrigerant offered in more than one size (12 oz. and 30 lb. cylinder)?

The answer is YES to all these questions for Johnsen's Freeze 12. Purchase Freeze 12 with confidence from a company who's been in the business for over thirty years.
